Made with Ingredients from The Land & Sea

Body Balance is made with juice obtained from inner leaf of organically grown Aloe Vera, known as a "Mother's Nature's Miracle Plant" and our special sea vegetation blend. The product is lightly sweetened with honey and stevia, and flavored with natural black cherry.

The benefits of these ingredients have been known for centuries, and the ingredients we source, are harvested at the peak of their nutritional potency.

Our sea vegetation is 100% Organic Certified and is harvested from the cleanest seaweed beds on earth.

Our brown kelp blend is a natural source of iodine. Iodine plays a vital role in maintaining thyroid health.

Product quality guaranteed. All ingredients are Kosher. Taste and color may vary seasonally.
